Sweetwater Union High School District "the District" was established in 1920 and covers approximately 153 square miles. The District provides education for grades 7-12 and is currently operating; eleven middle schools, twelve high schools, one continuation school, five adult schools and four alternative education schools. One charter school also operates within the District boundaries.

On November 7, 2006, the voters of San Diego County approved by more than 55% Proposition O, authorizing the issuance and sale of \$644,000,000 of general obligation bonds. On March 12, 2008, the District issued Series 2008A of the Election of 2006 General Obligation Bonds in the amount of \$180,000,000.

Proposition O is a Proposition 39 bond. The passage of Proposition 39 on November 7, 2000 amended the California Constitution to include accountability measures. Specifically, the District must conduct an annual independent performance audit to ensure that funds have been expended only on the specific projects listed as well as an annual, independent financial audit of the proceeds from the sale of the bonds until all of the proceeds have been expended for facilities projects.

Upon passage of Proposition 39, an accompanying piece of legislation, AB 1908 (Chapter 44, Statutes of 2000), was also enacted, which amended the Education Code to establish additional procedures which must be followed if a District seeks approval of a bond measure pursuant to the 55% majority authorized in Proposition 39 including formation, composition and purpose of the Citizens' Bond Oversight Committee, and authorization for injunctive relief against the improper expenditure of bond revenues.

The Citizens' Bond Oversight Committee was comprised of the following members as of June 30, 2011:
