

14 CONSTRUCTION CURRENTS

You are invited to a structural steel topping-out ceremony for the National City Middle School Modernization Project 2 on April 16th at 4:00 pm. The steel structure is almost complete and wall framing is already underway.

The new 2-story classroom building includes 11 classrooms, a TV production classroom and an ASB classroom. Two buildings have been demolished to make room for a new quad and the 500 building will be demolished to make room for more parking. Completion of this \$15 million project is expected this fall.

New Softball Facility at Castle Park High

In conjunction with senior day, the Castle Park High softball team inaugurated its newly renovated field with a game against San Ysidro on Tuesday afternoon.

With students and fans in attendance, ceremonial first pitches were thrown out simultaneously by a group that included former Trojans softball great Dawn Wood and Ed Brand, Superintendent of the Sweetwater Union High School District.
