PROPOSITION O PROGRAM PROJECT UPDATES

November 10, 2015 CBOC Meeting

This report provides a status report of projects that are part of the Proposition O Program part of the Capital Facility Financing Plan (CFFP). It is intended to provide information to the Citizens' Bond Oversight Committee (CBOC), Board of Trustees, staff and public regarding Proposition O expenditures. Project status is the status around the first of the month that this report is dated.

Financial information is provided in a separate report and in the monthly CFFP board agenda item.

The list of projects is divided into Active Projects and Completed Projects (including projects in the close-out process). The active projects are listed in the same order as the CFFP report. Updated project information is highlighted.

ACTIVE PROJECTS

Chula Vista High School:

CVH ORG	G Title IX Team Room	A/E: <i>RNT</i>	Design: 95% in DSA
	Contractor: tbd	Construction: 0%	Change Order Rate: 0%

This portion of the CVH ORG Projects consists of a softball team room similar to the MVH Title IX project. Design is under way and the intent is to have the project complete before the spring 2016 softball season, however actual completion depends on DSA approval timelines.

Mar Vista High School:

MVH Project 2 – Building 600	A/E: Platt Whitelaw	Design: DSA Approved
Contractor: Whillock Contracting, Inc.	Construction: 90%	Change Order Rate: 5.56%

The work is modernization of special education classrooms in Bldg. 600 (old shop building). Teachers moved in over the fall break. There is still significant work to be done. The stucco texture was improved and the exterior has been painted. The interior painting has been rejected. United Mechanical has filed a claim to enforce a stop notice. The permanent locks have been installed. Low voltage cabling and landscape work is in progress along with numerous punch list items.

Montgomery High School:

MOH Gym Structural Upgrades		A/E: Burkett & Wong	Design: DSA Approved
	Contractor: Fordyce Construction	Construction: 100%	Change Order Rate: 0%

The project consists of structural upgrades recommended in the seismic review of this building and includes: repair cracking in the concrete walls and improve the anchoring of roof top equipment. Construction is complete. The only punch list item is repainting the accessible parking spaces and DSA is requiring resubmittal which is being paid for by Burkett & Wong. Approval and completion expected by the end of the year.

MOH Title IX		A/E: Lord Architects, Inc.	Design: 95% in DSA
	Contractor: <i>tbd</i>	Construction: 0 %	Change Order Rate: 0%

The original Title IX scope was for softball outfield fencing (complete), softball scoreboard (complete), softball dugouts and replacement of the non-conforming baseball dugouts. The scope of work grew to include new backstops, , storage for the softball and baseball fields, new field level concession stand and restrooms for softball, upgrading accessible routes to both fields and bleacher modifications for accessibility. The lack of utilities near the softball field increases the cost significantly.

Staff has reviewed the scope of work with new legal counsel and will be recommending a reduced scope of work to include removal of non-conforming structures, replacing the baseball and softball dugouts, and adding softball batting cages and an accessible path of travel. The proposed revised budget is part of a comprehensive Title IX funding item that had a 1st reading on October 28th and will be presented again to the Board on November 18th.

National City Middle School:

NCM Pro	ject 2	A/E: <i>LPA</i>	Design: DSA approved
	P2 Contractor: <i>McCarthy</i>	Construction: 100%	Change Order Rate: 8.12%
	Parking lot Contractor: Whillock	Construction: 99%	Change Order Rate: 0%
		A/E: <i>tbd</i>	Design: 0%
	PE Field Restoration Contractor:	Construction: 0%	Change Order Rate: 0%

Project 2: Certified by DSA on July 25, 2015.

Parking lot: The project includes a parking lot where the 500 building was demolished, new fencing and 2 new gates. The project is complete.

PE Field Restoration: The interim portables area has been cleaned up. Selecting a designer for the field restoration is in progress. A topographic survey is in progress; owners provide surveys to design professionals in order to design accessible paths of travel and assure proper drainage.

Palomar High School:

PAH Project 1	- Science	A/E: <i>tbd</i>	Design: 0%
Cont	ractor: <i>tbd</i>	Construction: 0%	Change Order Rate: 0%

A scoping meeting was held with the principal and science teachers on February 4th. Staff will evaluate the feasibility of the requested facilities and equipment.

Solar:

PPA 2: All solar installations are complete. The revised accessible parking in the south parking lot was completed over fall break. There are a few punchlist items to be completed.

Southwest High School:

SOH Title	e IX	A/E: Burkett & Wong	Design: DSA Approved
	Contractor: various	Construction: 100%	Change Order Rate: 0%

The following work is complete:

- restoration of the infield
- new outfield fence
- ADA path of travel
- installation of power to the field and home dugout
- new scoreboard (certified by DSA on 1/28/15)

The batting cage is complete; pitching machine was purchased.

Planning for a multi-sport team room is in progress.

Southwest Middle School:

SOM Project 1B Increment 2	A/E: <i>RNT</i>	Design: DSA approved
Contractor: Whillock Const.	Construction: 99%	Change Order Rate: 6.88%

This project includes renovation of the old shop buildings into two science classrooms, a new afterschool room and support areas. Staff has moved in and the classrooms are in use. Whillock Construction's contract has been suspended. The bid package for completion of the work will be bid on October 22nd. The District has received a claim from Whillock and the project is now in litigation. Pending resolution of litigation issues, anticipated completion is during the winter break (The skylights schedule may differ depending on DSA approval timelines.)

SOM Project 1C – MPR & Bldg D	A/E: <i>RNT</i>	Design: DSA approved
Contractor: MA Stevens	Construction: 51%	Change Order Rate: 6.11%

This project is the final phase of modernization that was approved as Southwest Middle School Prop O Proj 1. Previous phases included a new classroom building, modernization of the library/office building, modernization of the portables, upgrading the PE field, improving parking and site fencing and modernization of the shop buildings into science facilities. This phase of modernization includes the auditorium and the 700 building (Building D), which is currently being used as a music classroom. The auditorium improvements include new finishes, plaster, paint, flooring, acoustical treatments, and a new roof. The Building 700 improvements include new finishes, plaster, windows, ceilings, paint, and flooring along with new data distribution equipment, lighting, heating and air conditioning units, plumbing fixtures, and a new interactive white board system.

Drywall is complete. Finish plumbing and electrical is in progress. Lay-in ceiling grid is complete in the Bldg D. Numerous unforeseen conditions have caused the change order rate to exceed 10 percent. Expected occupancy is during winter break.

Sweetwater Union High School:

SUH Stadium Track & Field	A/E: <i>RNT</i>	Design: DSA Approved
Field Contractor: Byrom-Davey	Construction: 100%	Change Order Rate: 0%
	A/E: BakerNowicki	Design: 0%
Concession Contractor: tbd	Construction: 0%	Change Order Rate: 0%
	A/E: Sillman Wright	Design: 0%

Concession: The track and field project removed a non-conforming building used as the concession stand. Staff has researched pre-fab options and potentially this will be included in a district-wide bid because other sites have need for concession stands for Title IX purposes. Schedule to be determined.

SUH Title IX		A/E: Sillman Wright	Design: 90%
	Title IX Upgrades Contractor: tbd	Construction: 0%	Change Order Rate: 0%
	Title IX Practice Field Contractor:	Construction: 100%	Change Order Rate: 0%
	Fordyce Construction		

Title IX Upgrades: The project includes an ADA accessible path of travel, scoreboard, power, new pitching cage and batting cage. Submittal to DSA is tentatively scheduled for November.

Title IX practice field (upgrade of the field and relocation of a foul pole): The project is complete.

SUH Proj	ect 1 - MPR dance/wrestling room floor		
	Wrestling Pads Contractor: MA Stevens	Construction: 100%	Change Order Rate: 0%
	Dance Floor Contractor: <i>Khavari Construction</i>	Construction: 100%	Change Order Rate: -7.25%

<u>Wrestling Pads:</u> The work includes removal of mirrors and installation of wall pads for wrestling and is complete.

<u>Dance Floor:</u> The work includes installing a bamboo dance floor over the existing concrete and tile floor to provide a safer, resilient dance floor. The dance floor has been completed with one punch list item outstanding, The Mylar mirror sample arrived and will be reviewed by the site.

SUH Project 1 – ADA Hygiene Restroom	A/E: Sillman Wright	Design: 90%
Contractor: tbd	Construction: 0 %	Change Order Rate: 0%

The work includes renovating two existing non-conforming restrooms in the 700 building for accessibility and to provide hygiene facilities for special education. Schematic design is complete. Submittal to DSA is tentatively scheduled for November.

SUH Site	Restoration (Parking Lot Improvements)	A/E: Hector Reyes	Design: DSA Voided
	Parking Lot Contractor: tbd	Construction: 0%	Change Order Rate: 0%
	Welding Building Demolition Contractor:	Construction: 100%	Change Order Rate: 0%
	Antons's Service Inc.		

This project includes demolition of the welding building and provides expanded parking for the site (214 spaces in the north lot). The project was approved by DSA on 10/15/14, but DSA voided the project because the architect let his license lapse. Demolition of the existing welding building has been completed. Staff is working on reducing the scope of work with fencing, pavement patching and striping as a temporary improvement in order to free up funds for higher priority projects.

Technology Infrastructure:

Technolog	gy Infrastructure	A/E: IT Department	Design: 100%
Contr	ractor: Computer Protection	Construction: 100%	Change Order Rate: 0%
Tech	nology, Inc.		
Contr	ractor: Nexus IS, Inc.	Construction: 100%	Change Order Rate: 1.50%
Contr	ractor: Standard Electronics	Construction: 100%	Change Order Rate: 7.29%

The project is complete with the exception of one last building at the district office (HR and warehouse). Project will be complete by the end of the year.

PROJECTS ON HOLD – WAITING FOR CONSTRUCTION FUNDING

Bonita Vista High School:

BVH Track & Field DesignA/E: NTD ArchitectsDesign: DSA ApprovedContractor: tbdConstruction: 0 %Change Order Rate: 0%
